PRESS RELEASE

3i Infotech signs an INR 16.5 Cr Oracle DWBI Managed Services deal with SBI General Insurance

Mumbai, February 27, 2023 – [3i Infotech Limited](#) (BSE: [532628](#), NSE: [3IINFOLTD](#)), a global Information Technology company, committed to accelerating business transformation, has won Oracle Data Warehouse and Business Intelligence (DWBI) Managed Services deal with SBI General Insurance. With a value of around INR 16.5 Cr, the contract is spread over a tenure of three years.

As a part of the deal, 3i Infotech will perform 24/7 application and production support, data migration and integration, ETL operations (currently more than 25+ peripheral systems), DWBI Service Management L2, L3, MIS report, ad hoc reports and dashboards, data reconciliation, data democratization, data remediation, user management, knowledge management, security, audit and compliance services for data warehouse and Business Intelligence solution using end-to-end Oracle stack. Considering the above scope, 3i Infotech with its expertise in Oracle has proposed 30+ resources to perform the activities.

SBI General Insurance has chosen 3i Infotech for its thought leadership and more than a decade of experience in providing value-driven offerings with a combination of Automation tools/Processes and a better understanding of business KPIs. 3i Infotech has a dedicated Oracle CoE that ensures guaranteed success by combining Oracle Technologies with BFSI domain expertise for Consulting, Implementation, and Support engagements.

About 3i Infotech

Headquartered in Mumbai, India, since inception in 1993, 3i Infotech has been committed to driving business value across multiple industry verticals. 3i Infotech, today, has emerged as a leading name in propelling the current wave of digital transformation initiatives, with deep domain expertise across BFSI, Healthcare, Manufacturing, Education, Telecom, Media & Entertainment, Retail and Government sectors. The company has over 5600 employees in 30 offices, 15 countries and across 4 continents. With a digital and cloud-first approach, and a range of IT services and solutions encompassing 5G in Edge Computing, Cognitive AI/ML, Data Science and Analytics and Blockchain, 3i Infotech have successfully transformed business operations of 1,200+ customers across 50 countries. The company has a very strong foothold and client base in geographies like North America, India, Asia Pacific, Middle East and the Kingdom of Saudi Arabia.
