**Independent Auditor's Limited Review Report on the Unaudited Consolidated Financial Results of 3i Infotech Limited for the quarter ended 30/06/2025, pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

To  
The Board of Directors  
3i Infotech Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of 3i Infotech Limited (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group'), and its share of the net profit after tax and total comprehensive income of its joint venture for the quarter ended 30/06/2025 (the 'Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Regulations'). We have initialed the Statement for identification purpose only.
2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, in its meeting held on 31/07/2025, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards ('Ind AS') 34 'Interim Financial Reporting' prescribed under section 133 of the Companies Act, 2013 (the 'Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India ('ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review is limited primarily to inquiries of the Company persons responsible for financial and accounting matters and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular No. CIR/CFD/CMD1/44/2019 dated 29/03/2019 issued by the SEBI under Regulation 33(8) of the Regulations, to the extent applicable.

4. The Statement includes the results of the entities as given in the **Annexure – 1** to this report.

### 5. Basis for Qualified Conclusion

- a) The Statutory Auditors of 3i Infotech (Middle East) FZ LLC have expressed Adverse Conclusion in their review report for the quarter ended 30/06/2025, which is reproduced as under –
  - Dues from related parties aggregating to AED 453,967,838: We are unable to obtain sufficient appropriate audit evidence regarding the recoverability of these receivables; accordingly, we are unable to determine whether any adjustments to these amounts were necessary.

- The Company has incurred loss after tax of AED 2,704,616 for the period ended 30 June 2025 and has a negative net worth of AED 16,196,591 as on 30 June 2025 (March 2025: 13,493,181) without giving impact of item referred in (a). Had the Company provided impact of point "a" referred above, the net worth of the Company would have been further eroded to AED 470,164,429. These situations indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the financial statements of the Company were prepared by the management on a going concern basis of accounting. We are unable to comment on the ability of the Company to continue as a going concern.

- b) The Statutory Auditors of 3i Infotech Holdings Private Limited (Mauritius) have drawn Qualified Conclusion in his review report for the quarter ended 30/06/2025, which is reproduced as under –

The Company's functional currency is Indian National Rupee while its presentation currency is US Dollar. The foreign exchange gains / losses arising on translation from functional to presentation currency, for current and previous years, have been recognized in the Statement of Profit or Loss and in Retained Earnings rather than in Other Comprehensive Income ("OCI") and Foreign Currency Translation Reserves ("FCTR"). This constitutes a departure from IAS 21. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of FCTR and the amount that should have been recorded in OCI because management did not provide us with the relevant workings. Consequently, we were unable to determine the adjustments needed to these items.

### 6. Qualified Conclusion

Based on our review conducted and procedures performed as stated in paragraph 3 above consideration of the review reports of other auditors referred to in paragraph 9(b) below, and unaudited financial results referred in paragraph 9(c) below, except for the effect of the matter described in the 'Basis for Qualified Conclusion' in para 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Ind AS specified under Section 133 of the Act, as amended, read with relevant rules issued there-under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### 7. Material Uncertainty regarding Going Concern

The Statutory Auditors of 3i Infotech (Cyprus) Limited have given Emphasis of Matter paragraph regarding going concern in their audit report dated 18/02/2025 on the financial statements for FY 2023-24, which is reproduced as under-

We draw attention to note 4 of the separate financial statements for FY 2023-24, where it is indicated that the separate financial statements have not been prepared on a going concern basis since it is the intention of the members to liquidate the Company as soon as arrangements can be made. Our conclusion is not modified in respect of this matter.

The 3i Infotech group executive management examines the group performance on basis of its business units and has identified Application, Automation, Analytics (AAA) , Infrastructure Services (IS) ,Business Process Services (BPS) as primary segments, OTHERS include Digital Media. The segment results have been arrived at before allocating certain expenses which are unallocable in nature and are disclosed separately.

Unallocable expenditure net of unallocable income includes unallocated overheads, foreign exchange gain/(loss) (net), Other income, Depreciation and amortization expense.

Assets and liabilities used in the Company's business are not identified to any of the reportable segment, as these are used interchangeably between segments. The Management believes that it is not practicable to provide segment disclosure relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

## Notes:

- 1 The standalone financial results for the quarter ended June 30, 2025 have been extracted from the unaudited standalone financial statements prepared in accordance with the Indian Accounting Standards (Ind-AS) 34 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. These standalone financial results have been reviewed and recommended by the Audit Committee and thereafter approved by the Board of Directors at their respective meetings held on July 31, 2025.
- 2 Other income for the quarter includes interest income on fixed deposits and loans to related parties, sundry balances written back and miscellaneous income.
- 3 As required under Ind AS 115 "Revenue from Contracts with Customers", unbilled revenue is accounted on estimate basis in respect of contracts where the contractual right to consideration is based on completion of contractual milestones as confirmed by the technical team.
- 4 The segment information, pursuant to the requirement of Ind AS 108 "Operating Segments", is given as part of the consolidated financial
- 5 The figures for the quarter ended March 31, 2025 are the balancing figures between the audited figures in respect of the full financial year 2024-2025 and the published unaudited year to date figures up to the third quarter ended December 31, 2024 which were subjected to limited review by the statutory auditor of the Company.
- 6 Post the sale of product business carve-out from the Company in 2021, the new management had appointed various consultants and advisers to evaluate all long outstanding matters. Thereafter, based on the recommendations of new management, in September 2022, the Board had set up a Legacy Committee as a Sub - Committee of the Audit Committee, to evaluate and address all long outstanding matters. In the absence of sufficient supporting documents, the Company tried reaching across its former directors/Key Managerial Personnel (KMP). Due to unavailability of information, the necessary provision is recognized in the financial statements.  
These inter-company issues, their current status and its accounting impact is explained below:  
A. The Company has an outstanding liability payable towards purchase of Intellectual Property Rights (IPR), since 2012 to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC amounting to INR 1,06,638.84 Lakhs. The liability towards purchase of IPR was not settled by the Company within the time limit prescribed under FEMA Regulations and the Company had approached Reserve Bank of India (RBI) in 2013 through authorized dealer to extend the timeline for repayment of the aforesaid liability till March 31, 2017. Not being able to settle the liability even by 2017, the Company had thereafter made an application to the Reserve Bank of India (RBI), through its authorized dealer vide letter dated March 05, 2019 and subsequently on October 23, 2020, for set - off of the liability/ payables to foreign branch in Dubai/ 3i Infotech (Middle East) FZ LLC of INR 1,06,638.84 Lakhs against its trade receivables then due from 3i Infotech Inc, 3i Saudi Arabia and 3i Africa of INR 39,233.00 Lakhs, INR 11,347.00 Lakhs and INR 3,046.00 Lakhs respectively. The Company has not received the RBI approval till reporting date.  
B. The Company is also carrying certain long outstanding receivables from various foreign subsidiaries amounting to INR 43,306.26 Lakhs as at June 30, 2025. Considering the current market scenario and low operations in many of the subsidiaries, and even though the Company has a net payable position with respect to the receivables and payables balances of its subsidiaries, the Company recognized a loss allowance amounting to INR 33,569.50 Lakhs till June 30, 2025 on a conservative and prudent basis. The net balance outstanding from subsidiaries (net off provisions) is INR 9,736.76 Lakhs as at June 30, 2025 .  
C. The Company had made investments in Equity and Redeemable Convertible Preference Shares of 3i Infotech Holdings Private Limited in Mauritius between 2006-07 to 2011-12. The Company has recognized a provision for diminution in value of investments of INR 89,169.65 Lakhs till June 30, 2025. The net outstanding balance of investment in this subsidiary is INR 86,179.02 Lakhs.  
The Company had not been able to meet its obligation of payment of INR 1,06,638.84 Lakhs to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC, consequently leading to a cascading effect of 3i Infotech FZLLC not being able to payback amount due to 3i Infotech Inc. and 3i Infotech Holdings Pvt Ltd in Mauritius. Further, it has had a cascading effect of 3i Infotech Inc. not being able to redeem the preference shares issued by it to 3i Infotech Holdings Pvt Ltd. In view of the non-realization of the preference shares in 3i Infotech Inc and the loan to 3i Infotech (Middle East) FZLLC, 3i Infotech Holdings Pvt Ltd has not been able to redeem the preference shares of 3i Infotech Limited. Thus, effectively non-payment of the obligation of INR 1,06,638.84 Lakhs by the Company to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC has led to the non-realization of the preference shares invested in by the Company.  
Further, in its board meeting held on January 31, 2024, the Board of the Company decided to initiate Forensic Audit with respect to the aforesaid legacy matters and the Board of the Company has engaged external consultants, who has submitted the final report, which has been reviewed, approved, and accepted by the Board in their meeting held on January 29, 2025.  
As per the findings and observations in the final report, there are no further implications or adverse financial impact on the Company.  
There is no major change in the quantum of investments/receivables and payables from/to these subsidiaries since 2012. It has always been the intention to settle the receivables and payables on a net basis, subject to the legal and the regulatory approvals. The Company has made impairment provisions against receivables and investments on a prudent and conservative basis in view of the delay in obtaining the legal and regulatory approvals. As and when such approvals are received in future, the estimate of the recoverable amounts will be suitably
- 7 Material accounting policies in preparation of these standalone financial results are consistent with those followed in the annual audited financial statements for the year ended March 31, 2025.
- 8 The Statutory Auditors of the Company have conducted a limited review of the standalone financial results for the quarter ended June 30, 2025 pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and have expressed unmodified conclusion in their review report.
- 9 Figures for the previous periods have been regrouped / rearranged / reclassified wherever necessary to make them comparable with those of current period.
