Independent Auditor's Limited Review Report on the Unaudited Consolidated Financial Results of 3i Infotech Limited for the quarter and half year ended 30/09/2026, pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
3i Infotech Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of 3i Infotech Limited (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group') for the quarter and half year ended 30/09/2026 (the 'Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Regulations'). We have initialled the Statement for identification purpose only.

2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, in its meeting held on 29/10/2026, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards ('Ind AS') 34 'Interim Financial Reporting' prescribed under section 133 of the Companies Act, 2013 (the 'Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India ('ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review is limited primarily to inquiries of the Company persons responsible for financial and accounting matters and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the SEBI Circular No. CIR/CFD/CMD1/44/2019 dated 29/03/2019 issued by the SEBI under Regulation 33(8) of the Regulations, to the extent applicable.

4. The Statement includes the results of the entities as given in the **Annexure – 1** to this report.

5. **Basis for Qualified Conclusion**

   a) The Statutory Auditors of 3i Infotech (Middle East) FZ LLC have expressed Adverse Conclusion in their review report for the quarter and half year ended 30/09/2026, with respect to (a) sufficient appropriate audit evidence regarding the recoverability of receivables from related parties aggregating to AED 411,273,478; and (b) preparation of financial statements on 'going concern' basis in view of the Company's negative net worth of AED 73,794,298 as on reporting date without giving impact of matter referred in (a);

   b) The statutory auditors of 3i Infotech Asia Pacific Pte. Ltd. have drawn a Qualified Opinion in their audit report dated 21/08/2026 for FY 2024-25. The relevant paras are reproduced as below:

      Loan to related company

      We were unable to satisfy ourselves as to the recoverability of the amount included in loan to related company by the application of audit procedures. The amount stated had not been impaired. Had the amount

C K S P AND FRN 131228W LLP W100044

been impaired, the amount would be written off to the profit or loss. The expenses for the year would be increased by S$7,109,394 resulting in a loss of S$7,109,394 for the year.

Amount due from a subsidiary

We draw attention to Note 13 to the financial statements. The Company has a receivable balance of S$732,844 from a subsidiary named 3i Infotech (Thailand) Limited. The subsidiary has a capital deficit amounting to S$1,443,022 (approximately THB36.63 million) and current liabilities exceeded its current assets by S$1,588,172 (approximately THB40.32 million) for the year ended 31 March 2025

We were unable to satisfy ourselves as to the recoverability of the amount by the application of audit procedures. The amount stated had not been impaired. Had the amount been impaired, the amount would be written off to the profit or loss. The expenses for the year would be increased by S$732,844 resulting in a loss of S$732,844 for the year.

c) The statutory auditors of 3i Infotech Saudi Arabia Co. (Foreign Ltd.) have drawn Qualified Opinion in their audit report dated 20/08/2026 for FY 2025-26. The relevant paras are reproduced as below:

We were unable to obtain sufficient and appropriate audit evidence for the following:

- We were not provided with bank confirmations for the Company's bank balance as at reporting date due to the suspension of the Company's Commercial Registration and the cessation of its bank account.
- We were not provided with sufficient appropriate audit evidence to verify following balances as at reporting date: accounts receivable of SR 1,948,693, accounts payable – others of SR 1,610,279 and accrued expenses of SR 590,426. In addition, the Company has not recognised a provision for potentially uncollectible accounts receivable. Accordingly, we were unable to determine the recoverability of the accounts receivable and whether any provision was required, and whether any adjustments were necessary to the accounts payable – others and accrued expenses balances and the related financial statement disclosures.
- Deposits and advances include an amount of SR 2,042,007 paid to Zakat, Tax and Customs Authority (ZATCA) against an assessment for the year ended 31 March 2012. This amount is considered irrecoverable, as the appeal against the assessment was decided unfavourably for the Company. In addition, deposit and advances include other balances amounting to SAR 214,625 for which supporting documents and details have not been made available.

6. Qualified Conclusion

Based on our review conducted and procedures performed as stated in paragraph 3 above consideration of the review reports of other auditors referred to in paragraph 9(b) below, and unaudited financial results referred in paragraph 9(c) below, except for the effect of the matter described in the 'Basis for Qualified Conclusion' in para 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Ind AS specified under Section 133 of the Act, as amended, read with relevant rules issued there-under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Material Uncertainty related to Going Concern

- We have audited financial statements of Professional Access Software Development Private Limited for FY 2025-26 and have given paragraph regarding Material Uncertainty regarding Going Concern in our audit report dated 27/07/2026, which is reproduced as under-

We draw attention to Notes 2(b) and 21 of the financial statements, which disclose that the Company has accumulated losses amounting to Rs.945.33 lakhs as at 31st March 2026. As detailed in Note 21, the recoverability of fixed deposits and other assets remains uncertain due to existence of guarantees and contingent liabilities as of that date. These circumstances, along with other matters discussed in Note 21, indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern.

Our opinion is not modified in respect of this matter.

- The Statutory Auditors of 3i Infotech (UK) Limited have given paragraph regarding Going Concern in their audit report dated 16/09/2026 on the financial statements for FY 2024-25, which is reproduced as under-

  We draw your attention to note 1 in financial statements, which indicates that the current and future reduced trading has had an adverse effect on the company's operations and cash flow. As stated in note 1, these events or conditions, along with other matters as set forth in the note indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

  The financial statements have been prepared on going concern basis which is dependent upon availability of sufficient cash resources to sustain operations for the foreseeable future with the expectations that the company will achieve operational cash flow positivity.

  Our opinion is not modified in respect of this matter.

  In auditing the financial statements, we have concluded that the directors use of going concern basis of accounting in preparation of the financial statements is appropriate.

- The Statutory Auditors of 3i Infotech (Cyprus) Limited have given paragraph regarding Going Concern in their audit report dated 31/08/2026 on the financial statements for FY 2025-26, which is reproduced as under-

  We draw attention to note 4 of the separate financial statements which indicates that the Company incurred a loss of US$13,954 during the year ended 31 March 2026, and, as of that date the Company's current liabilities exceeded its current assets by US$1,778. As stated in note 4, the Company has no significant revenue-generating activities and is dependent on continued group support to meet its administrative and other necessary expenses as they fall due. These events or conditions, together with the other matters set forth in note 4, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

  Our opinion is not modified in respect of this matter.

8. **Emphasis of Matter:**

a) We draw attention to Note 8 to the Statement regarding all long outstanding legacy matters. During the current quarter, EOW has responded back to the Company on 13/08/2026 that the complaint is in the nature of the civil matter and should be pursued accordingly. The Company is consulting its forensic auditors for the review of the documents. Based on their feedback, will take a final view on the matter. As represented by the Company's management, there is no further adverse financial impact on the Statement. Our conclusion on the Statement is

not modified in respect of this matter. The Company continues to monitor the progress of the same and will take such further actions as may be deemed necessary.

b) We draw attention to Note 10 to the Statement which states that, the audited standalone and consolidated financial statements of the Parent Company for the year ended March 31, 2026 have not been adopted by the shareholders. The Parent Company has filed unadopted audited financial statements for the year ended March 31, 2026 with the Registrar of Companies on 28/09/2026. The Parent Company believes that the aforesaid matter does not impact the consolidated financial results for the quarter and half year ended September 30, 2026.

c) The statutory auditors of 3i Infotech Saudi Arabia Co., (Foreign Limited) have reported Emphasis of Matter paragraph in their audit report dated 20/08/2026 on the financial statements for FY 2025-26 which is reproduced as below:

- Income tax, withholding tax, and value added tax liabilities, as assessed by the Zakat, Tax and Customs Authority (ZATCA), up to the year ended 31 March 2026, amounted to SR 14,437,260. The Company reported income tax and withholding tax liabilities of SR 17,217,621 and VAT payable of SR 155,270 as at 31 March 2026, resulting in excess provision of SR 2,935,630 which management has intentionally maintained on a prudent basis to cover potential penalties and other related charges arising from outstanding tax matters.
- In prior years, the Company determined its employees' defined benefit obligation through an actuarial valuation. During the year ended 31 March 2026, the Company changed its method of estimation and calculated the liability using a simplified computation method without obtaining an actuarial valuation. Management considers this approach appropriate in view of the Company's liquidation status. Our opinion is not modified in respect of this matter.
- As detailed in Note 1 to these financial statements, the Board of Directors resolved on 29 January 2025 to initiate voluntary liquidation of the Company. Subsequently, at its meeting held on 13 August 2025, the Board decided to proceed with bankruptcy proceedings and appointed Soutien Group LLC as the advisor with effect from 13 August 2025.
- We draw attention to the fact that the Company's Main Commercial Registration and Branch Commercial Registration have been suspended, and its license issued by Ministry of Investment of Saudi Arabia has expired and has not been renewed as of date of this report.
- The going concern assumption is not applicable for the Company.

Our opinion is not modified in respect of these matters.

Our conclusion on the Statement is not modified in respect of the matters mentioned in para 8(a) to 8(c) above.

The segment results have been arrived at before allocating certain expenses which are un-allocable in nature and are disclosed separately.

Unallocable expenditure net of unallocable income includes unallocated overheads, foreign exchange gain/(loss) (net), Other income, Depreciation and amortization expense.

Assets and liabilities used in the Company's business are not identified to any of the reportable segment, as these are used interchangeably between segments. Notes to the financial results

3 The standalone financial results for the quarter and half year ended September 30, 2026 have been extracted from the unaudited standalone financial statements prepared in accordance with the Indian Accounting Standards (Ind-AS) 34 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter and other accounting principles generally accepted in India. These standalone financial results have been reviewed and recommended by the Audit Committee and thereafter approved by the Board of Directors at their respective meetings held on October 29, 2026.

4 Other income for the quarter ended September 30, 2026 includes interest income on fixed deposits, bonds and loans to related parties, sundry balances written back, fair valuation gain on investment, foreign exchange gain (net) and miscellaneous incomes.

5 During the quarter ended September 30, 2026 upon exercise of stock options under Employee Stock Option Scheme 2018 and Employee Stock Option Scheme 2023, the Company has allotted in aggregate 25,050 (Twenty five thousand and fifty) and 73,187 (Seventy three thousand one hundred and eighty seven) equity shares, respectively, to its eligible employees.

6 As required under Ind AS 115 "Revenue from Contracts with Customers", unbilled revenue is accounted on estimate basis in respect of contracts where the contractual right to consideration is based on completion of contractual milestones as confirmed by the technical team and subsequently billed to customers based on their acceptance.

7 The segment information, pursuant to the requirement of Ind AS 108 "Operating Segments", is given as a part of the consolidated financial results.

8 In continuation to the legacy matter related to eMudhra Consumer Services Limited (formerly known as 3i Infotech Consumer Services Limited) reported earlier, Economic Offences Wing (EOW) has responded back to the Company on August 13, 2026 that the complaint is in the nature of the civil matter and should be pursued accordingly. Post that, the company is in receipt of additional old documentation submitted to EOW and is consulting its forensic auditors for the review of the documents. Based on their feedback, Board will take a final view on the matter soon.

The Company continues to monitor the progress of the same and will take such further actions as may be deemed necessary.

9 The current status and accounting impact of above mentioned inter-company issues have been explained below:

A. The Company has an outstanding liability payable towards purchase of Intellectual Property Rights (IPR), since 2012 to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC amounting to INR 1,06,638.84 Lakhs. The liability towards purchase of IPR was not settled by the Company within the time limit prescribed under FEMA Regulations and the Company had approached Reserve Bank of India (RBI) in 2013 through authorized dealer to extend the timeline for repayment of the aforesaid liability till March 31, 2017.
Not being able to settle the liability even by 2017, the Company had thereafter made an application to the Reserve Bank of India (RBI), through its authorized dealer vide letter dated March 05, 2019 and subsequently on October 23, 2020, for set – off of the liability/ payables to foreign branch in Dubai/ 3i Infotech (Middle East) FZ LLC of INR 1,06,638.84 Lakhs against its trade receivables then due from 3i Infotech Inc, 3i Saudi Arabia and 3i Africa of INR 39,233.00 Lakhs, INR 11,347.00 Lakhs and INR 3,046.00 Lakhs respectively. The Company has not received the RBI approval till reporting date.

B. The Company is carrying certain long outstanding receivables from various foreign subsidiaries (including shown above) amounting to INR 45,268.03 Lakhs as at September 30, 2026. Considering the current market scenario and low operations in many of the subsidiaries, and even though the Company has a net payable position with respect to the receivables and payables balances of its subsidiaries, the Company recognized a loss allowance amounting to INR 33,958.59 Lakhs till September 30, 2026 on a conservative and prudent basis. The net balance outstanding from subsidiaries (net off provisions) is INR 11,309.45 Lakhs as at September 30, 2026.

C. The Company had made investments in Equity and Redeemable Convertible Preference Shares of 3i Infotech Holdings Private Limited in Mauritius between 2006-07 to 2011-12. The Company has recognized a provision for diminution in value of investments of INR 89,169.65 Lakhs till September 30, 2026. The net outstanding balance of investment in this subsidiary is INR 86,179.02 Lakhs.

The Company had not been able to meet its obligation of payment of INR 1,06,638.84 Lakhs to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC, consequently leading to a cascading effect of 3i Infotech FZLLC not being able to payback amount due to 3i Infotech Inc. and 3i Infotech Holdings Pvt Ltd in Mauritius. Further, it has had a cascading effect of 3i Infotech Inc. not being able to redeem the preference shares issued by it to 3i Infotech Holdings Pvt Ltd. In view of the non-realization of the preference shares in 3i Infotech Inc and the loan to 3i Infotech (Middle East) FZLLC, 3i Infotech Holdings Pvt Ltd has not been able to redeem the preference shares of 3i Infotech Limited. Thus, effectively non-payment of the obligation of INR 1,06,638.84 Lakhs by the Company to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC has led to the non-realization of the preference shares invested in by the Company.

There is no major change in the quantum of investments/receivables and payables from/to these subsidiaries since 2012. It has always been the intention to settle the receivables and payables on a net basis, subject to the legal and the regulatory approvals. The Company has made impairment provisions against receivables and investments on a prudent and conservative basis in view of the delay in obtaining the legal and regulatory approvals. As and when such approvals are received in future, the estimate of the recoverable amounts will be suitably revised.
