  - (i) During the financial year 2011-12, the Parent Company undertook restructuring of its debts through CDR cell and also renegotiated with the Foreign Currency Convertible Bond holders with respect to its obligations. Post the debts restructuring, there have been delays in repayment of Principal and payment of Interest in respect of CDR lenders as well as for the interest on the Foreign Currency Convertible Bonds, which may be construed as Default as per the Master Restructuring Agreement (MRA) and terms of FCCB. The above referred impairment analysis resulting into the valuation of business of the entire 3i group which included the business undertaking of Professional Access Software Development Private Limited, India sold as slump sale and divestment of Professional Access Limited U.S.A during the quarter.

Pending negotiations with lenders and Impairment Analysis, the Parent Company has prepared the financial statements on a going concern basis which is dependent, inter alia, upon the positive outcome of negotiations with lenders, infusion of funds and impairment analysis.

Auditors' Report on Quarterly Financial Results and Year to Date Financial Results of 3i Infotech Limited Pursuant to the Clause 41 of the Listing Agreement

To The Board of Directors of 3i Infotech Limited

- 1. We have audited the quarterly financial results of 3i Infotech Limited for the quarter ended 30<sup>th</sup> September, 2014 and year to date financial results for the period from 1<sup>st</sup> April , 2014 to 30<sup>th</sup> September, 2014, attached herewith, being submitted by the Company pursuant to the requirement of clause 41 of the Listing Agreement except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. These quarterly financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards (AS) 25, issued pursuant to the Companies (Accounting Standards) Rules, 2006 which continue to apply under section 133 of the Companies Act, 2013 and accounting principles generally accepted in India.
- We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
- Without qualifying, we draw attention to :-
  - Going Concern and Impairment analysis:
  - (i) During the financial year 2011-12, the Company undertook restructuring of its debts through CDR cell and also renegotiated with the Foreign Currency Convertible Bond holders with respect to its obligations. Post the debts restructuring, there have been delays in repayment of Principal and payment of Interest in respect of CDR lenders as well as for the interest on the Foreign Currency Convertible Bonds, which may be construed as Default as per the Master Restructuring Agreement (MRA) and terms of FCCB. The Company is negotiating with lenders to restructure the debt and is confident of positive outcome.
  - (ii) The Company, as per its Accounting Policy and in accordance with the requirements of the Accounting Standard (AS) 28 – Impairment of Assets and Accounting Standard (AS) - 13 Accounting for Investments, prescribed under Companies (Accounting Standard) Rules 2006, carries out an impairment analysis annually of its Cash Generating Units / Long term Investments on a going concern basis, in order to ascertain the extent of impairment, if any and

accordingly, the Company had carried out Impairment Analysis for their carrying values in March, 2014 with the assistance of an independent expert valuer which revealed no impairment, which was relied upon by the auditors being a technical matter.

The above referred impairment analysis resulting into the valuation of business of the entire 3i group which included the business undertaking of Professional Access Software Development Private Limited, India sold as slump sale and divestment of Professional Access Limited U.S.A during the quarter.

Pending negotiations with lenders and Impairment Analysis, the Company has prepared the financial statements on a going concern basis which is dependent, inter alia, upon the positive outcome of negotiations with lenders, infusion of funds and impairment analysis.

- b) Note no. d of accompanying financial results regarding justification of carrying deferred tax asset of Rs.12,133 lacs as at 30<sup>th</sup> September, 2014 being carried forward, the management based on the confirmed order book on hand and relying on the restructuring scheme approved by the CDR cell, is confident of having sufficient taxable income in foreseeable future, which would enable reversal of the said deferred tax assets.
- 4) In our opinion and to the best of our information and according to the explanations given to us, these quarterly financial results and year to date results:
  - (i) are presented in accordance with the requirements of clause 41 of the Listing Agreement in this regard; and;
  - (ii) give a true and fair view of the net loss and other financial information for the quarter ended on 30<sup>th</sup> September, 2014 as well as year to date results for the period from 1<sup>st</sup> April, 2014 to 30<sup>th</sup> September, 2014.
- Further, we report that we have, on the basis of the books of account and other records and information and explanations given to us by the management, also verified the number of shares as well as percentage of shareholding in respect of aggregate amount of public shareholding, as furnished by the Company in terms of clause 35 of the Listing Agreement and found the same to be correct.
